ANOTHER FANTASTIC WINTER BREAK WITH SNOW SITUATIONS..

Just got back from another fantastic winter break with snow situations. This was my third experience staying with Biff and Juliet and they really looked after us again. The chalet was very nice and felt very spacious and the food was delicious as always. Biff and Juliet gave us a good tour of the ski area as well as delivering us to and from the slopes. They provided us with plenty of information before our visit and arranged airport transfers, ski school and booking info for hire equipment. We're Very much looking forward to our fourth winter holiday with them. (Ben, April 2019)

The only downside was Biff introducing us to Ski Tracks!!!! ... Amy is now 'on it' to beat my speed whilst she is in Avoriaz! Cheers Biff haha We would love to return next year.. I'll keep in touch.
