Resort Transfers and Train

Larger Groups:

We work with Simon and his drivers at The Mountain Rescue for airport transfers from all the major ski airports.

Geneva is around 2 hours 15 minutes away. Chambéry is slightly closer, Lyon and Grenoble are also within easy reach.

We can provide discounted transfers through The Mountain Rescue. Prices depend on your group size and are priced per van. A price guide is below but please input your group details into the Mountain Rescue website together with our discount code for an exact price. Please ask us for the current discount code). Child and baby seats are of course provided.

Example private transfer costs from Geneva or Lyon airport:

£85-£130 return per person

Smaller Groups:

If you are a small group (1 to 5 passengers), we recommend either hiring a car (private parking available) or using Ben's Bus for the most cost effective shared airport transfers at approximately £90.00 per person return from Geneva and Lyon Airports to 'Aime' or 'Bourg Saint Maurice' train station. Then it is a short 15 minute taxi ride to Peisey (costing around 50€ / £45 in total for up to 4 people).

Travelling By Train:

We are very close to Bourg Saint Maurice train station (15 minutes) and it costs around £10.00* per person to reach the chalet from this major ski train station in a taxi or with our transfer partner. We are also very close to Landry train station (10 minutes) and Aime train station (15 minutes) for those travelling by train from within Europe.

* Based on minimum 4 sharing a transfer.
